		Academic Year
		Base Load
1	Initial Base Load 24 credit hours per academic year.	24
2	Faculty member has been "reasonably productive" in	
	scholarship over prior three (3) years.	
	(Faculty member has produced at least 50% of the requirements	
	for promotion to Associate Professor in that department over	
	previous three years (Verify and list relevant production below).	
	Subtract up to six (6) credit hours.	
	OR	
	Faculty member has been "acceptably productive" in	
	scholarship over the prior three (3) years.	
	(Faculty member has produced at least 25% of the requirements for	
	promotion to Associate Professor in that department over the	
	previous three years (Verify and list relevant production below).	
	Subtract up to three (3) credit hours.	
	OR	
	Faculty member has not been at minimum acceptably	
	productive in scholarship over prior three (3) years.	
3	The faculty member's anticipated contributions to the	
	University (documented below), and for which no additional release	
	or compensation is provided, meet the criteria for routine service	
	and exceed that for significant service, demonstrating active	
	engagement and productive leadership.	
	Subtract three (3) credit hours. OR	
	The faculty member's anticipated contributions to the	
	University (documented below), and for which no additional release	
	or compensation is provided, meet the criteria for routine service	
	for significant service and exceed that for significant service	
	Make no adjustment	
	OR	
	The faculty member's anticipated contributions to the	
	University (documented below) DO NOT meet the criteria for	
	significant service and/or do not meet the criteria for routine	
	service.	

4	List and attach documentation and, if required, permission, for Offsets, if any,	
	for faculty member in good standing .	
	a. Administrative Offset, if any. (Includes Faculty Senate or AAUP-	
	WSU Offsets).	
	c. Discretionary Offset, if any.	
	b. Performance Offset, if any. ( tenured faculty member has	
	produced at least 175% of the requirements for promotion to	
	Associate Professor in that department over the previous three (3)	
	years, beyond that required to meet the requirements of reasonable	
	productivity, above) subtract up to three credit hours. (Verify and	
	list relevant production below).	
4	Teaching Credits or Credit for Research Supervision. Verify and	
	document faculty member's requested use of accrued teaching	
	credits at 1-3 credits per semester.	
5	Funded Research Course Releases. Verify and attach documentation	
	for course release time purchased for either semester on active	
	grants.	
6	Calculate final adjusted teaching load. Cannot be less than 6	
	credit hours per semester without Dean and Provost approval).	

## Your teaching load is tentatively divided across two Semesters as

Fall Spring

/\_\_\_

The Department reserves its management right to alter this teaching load division to meet extraordinary circumstances impacting the University's ability to offer needed courses, such that as much as 70% of teaching load may be assigned to a single semester (maximum four three- or four-credit courses), provided sufficient notice is given to the faculty member.
